

RESIDENCE PIERRE & VACANCES PREMIUM LES TERRASSES D'EOS

Resort : Flaine

The Pierre & Vacances Terrasses d'Eos residence is a brand new addition to our already vast range of ski residences for the 2009/10 ski season. Built in 2008 by IntraWest, this top-of-range residence is located in a new, entirely car-free hamlet baptised Flaine Montsoleil and proposes 145 extremely comfortable apartments that are both warm and elegant. The two buildings that make up the residence have direct access to the pistes and chairlifts, providing you with a direct link to the Flaine and Grand Massif ski areas, and services include an outdoor heated swimming pool, a panoramic jacuzzi, sauna, steam room and fitness room, half board and breakfast formulas and a free Wifi internet connection in both reception and apartments.
