

## CHALET PETIT COEUR

Resort : Méribel

Located in the most exclusive area of Méribel, very close to the central station and the slopes (approx 150m), this chalet offers a panoramic view over the station and the slopes. Built in keeping with traditional mountain architecture, this chalet has a peaceful ambiance, as well as having beautiful views for your guests. The mixture of the materials - wood, leather, metal - and the decorations from all across the world, are an invitation to travel. The 16 guests staying in the chalet will enjoy spending some cosy moments around the wood fire, wining and dining around the wonderful dark red coloured metal table. All 8 bedrooms are en suite and decorated contemporarily, all with a bathroom or shower and south/east facing balconies. There is a sauna, a hot tub on the terrace, wifi internet access, iPod docks in all the rooms, ski storage and a utility room - all of which are available for you to fully enjoy your stay on the mountain.
