

## CHALET SUVAY

Resort : Chatel/ La Chapelle d'Abondance

The Chalet is an old Suvay typical farm converted into luxury chalet. While keeping the old stones and the warm atmosphere of the historic farmhouse, the cottage has been furnished and equipped with modern and quality. It has a sauna and outdoor jacuzzi. It is located outside the resort, 5 minutes by car or 2 km away from the entrance to the Portes du Soleil ski area in Châtel-Centre or Chapel/The Panthiaz. The lift of the Linga is 3500 m away from the chalet. This sector is the link to Morzine-Avoriaz and Les Crosets, Swiss side. It is the key to the discovery of the ski area of Portes du Soleil. Restaurants, shops, bars, cafes, night clubs, crèche and sports shops are located approximately 2 km away from the Chalet Suvay.
